

## AFTER SCHOOL CLUBS Spring Term 2012

Just a quick note to let you know which after school clubs will be running this half term. All adults leading clubs are CRB checked. The school monitors behaviour and ensures that all children are safely collected (they must not walk home alone). We hope that as many children as possible will take up these opportunities. However, it is important that, when they do, they commit to the full half term of sessions, especially where there is a limit on numbers. Where there is a limit, places will be given on a first come basis. You will only be notified if your child does not get a place because the club is full or does not run. Please note that we still have responsibility for your child so if they cannot attend any session but are in school that day please advise the office.

**Payment can be made weekly or half termly for Judo but Football needs to be made for the full half term in advance and paid in at the school office.**

Club	Day	Age	Coach / Teacher	Wks	Session cost	Half term cost	Max no.	Start date	Time	Where
